

GENERAL JONAS ŽEMAITIS MILITARY ACADEMY EXPERTS GUIDE

Assoc. prof. dr. Vaida Vasiliauskienė

Associate Professor of
the Logistics and Defense
Technology Management
Research Group
vaida.vasiliauskiene@lka.lt

Education:

- Bachelor of Sciences Environmental Engineering (VGTU, Lithuania), 2002
- Master of Ecology and Environmental Sciences (VGTU, Lithuania), 2004
- Doctor of Technological sciences (Environmental Engineering and Landscape Management), (VGTU, Lithuania), 2009

Biography: She is a member of the Logistics and Defense Technology Management Research Group and an Associate Professor at General Jonas Žemaitis Military Academy of Lithuania. She also is an Associate Professor at Vilnius Gediminas Technical University. She holds a PhD in Technological Sciences (Environmental Engineering and Landscape Management) from Vilnius Gediminas Technical University. She has approximately 17 years of experience in lecturing (physics, general physics, applied physics, physical principles of technologies, atmosphere pollution and self-cleansing processes, scientific work practice)

Area of Expertise: Ecology, Atmospheric physics, Air pollution, Indoor air quality, Ozone.

Research interest: Investigation and assessment of formation and dispersion of environmental and indoor air pollutants, physical and chemical environmental pollution, environmental physics.

Publications/ Projects: She has made over 50 scholarly contributions in national and international publications. She is a reviewer of scientific articles for international journals.
